

REPORTING AUTOMOBILE CLAIMS

We pride ourselves on the service we provide to each and every policy holder. This includes having an emergency claim number after hours and on week-ends. While it is perfectly all right to wait and report your claim when the office re-opens, we want you to use this number if you are ever in a situation where the claim needs immediate attention or if you have claim-related questions which cannot wait. This number is 866-709-8001.

Our companies also take claims directly 24 hrs a day, 7 days a week. In fact, this is the quickest way to report a claim and make arrangements to have your vehicle's damages appraised. These numbers are as follows:
