Surround's Starter Pack includes coverage for many of the common risks faced by today's young professionals. Our bundle includes insurance for the ways people are moving, living, and working in cities.

Our 4-in-1 starter pack will cost only \$60 per month

Saving you up to 40%*

Driving Rented or Borrowed Cars

- Rental companies overcharge for insurance
- Car-sharing companies provide minimum insurance, leaving drivers poorly protected

Surround protects you by paying for injuries and property damage you cause to others in an accident

Biking or walking

- Cyclists and pedestrians are involved in accidents more often than ever before
- Nearly 1-in-8 US drivers are uninsured. In several states, it's as high as 1-in-4

Surround covers your injuries and lost wages if you're hurt by a driver that has little or no insurance (or a hit-and-run driver)

Renting an apartment

- Most landlords require proof of insurance
- Surround will protect your possessions from damage or theft *anywhere in the world*. We also provide liability coverage for an accident in your apartment

Freelancing for Extra Income

- 1-in-3 people freelance for extra income
- Legal disputes with clients can be costly

Surround will pay legal fees and judgements from disputes arising out of your work
