ABOUT JEFF

Jeff has been in the benefits industry for over 12 years and serves as a trusted advisor for employee benefit and human resources related topics, such as healthcare reform, HR business planning and alternative funding strategies. Jeff provides progressive thinking and a significant amount of expertise with market trends by bringing timely content to his social media platform on LinkedIn with quick Zoom videos with business partners, and by using the RogersGray University to push his webinar series on marketplace disruptions.

WEBINARS

Jeff takes a leadership role in education through our RogersGray University. In 2020 Jeff held webinars surrounding PFML regulations to help his client get exemptions back in 2019 to avoid contributions to the state, prepping for policy/procedure changes heading in to 2021, as well as the business ramifications around Coronavirus.
